ANNEXURE 2 REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

Re: RELIC TECHNOLOGIES LIMITED ('the Company')

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RELIC TECHNOLOGIES LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

FIRST TIME ADOPTION OF IND AS

The date of transition to Ind AS is April 01, 2016. The Company applied Ind AS 101 First-time Adoption of Indian Accounting Standards' in preparing these first Ind AS financial statements. The effects of the transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the accompanying notes. Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2017 together with the comparative period data as at and for the year ended March 31, 2017 and April 01, 2016 being restated as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made and the exemptions applied by the Company in restating its previous Indian GAAP financial statements, including the balance sheet as at April 01, 2017 and the financial statements as at and for the year ended March 31, 2017.

Mandatory exemptions applied by the Company

Hence there is no impairment which is to be given effect retrospectively.

Optional exemptions applied by the Company

RECONCILIATION OF BALANCE SHEET

Explanations for the reconciliation of the Balance Sheet and Profit and Loss Statement as previously reported under IGAAP to Ind AS:

- | | | |
|---|--|--|
| 1 | Property Plant and Equipment, Investment Properties and Intangible Assets | Under the previous Indian GAAP investment properties were presented as part of Fixed Asset/ whereas under Ind AS/ investment properties are required to be shown separately under the head "Investment Property". The Company has elected to measure an item of property/ plant and equipment/ intangible assets and investment properties at deemed cost at the date of transition to Ind AS. |
| 2 | Fair Value of Investment | Under the previous Indian GAAP investment in mutual funds were classified as current investments. Current investments were carried at lower of cost and fair value. Under Ind AS/ these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earning / statement of profit & loss. |
| 3 | Deferred Tax | The previous Indian GAAP required deferred tax accounting using the income statement approach/ which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach/ which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under pervious Indian GAAP |
| 4 | Defined benefit liabilities | Both under previous Indian GAAP and Ind AS/ the Group recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under previous Indian GAAP, the entire cost/ including remeasurementS/ are charged to profit or loss. Under Ind AS/ remeasurements [comprising of actuarial gains and losses/ the effect of the asset ceiling/ excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. |

ANNEXURE 1 REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

Re: RELIC TECHNOLOGIES Limited ('the Company')

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RELIC TECHNOLOGIES Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Explanations for the reconciliation of the Balance Sheet and Profit and Loss Statement as previously reported under IGAAP to Ind AS:

- | | | |
|---|--|--|
| 1 | Property Plant and Equipment, Investment Properties and Intangible Assets | Under the previous Indian GAAP investment properties were presented as part of Fixed Asset/ whereas under Ind AS/ investment properties are required to be shown separately under the head "Investment Property". The Company has elected to measure an item of property/ plant and equipment/ intangible assets and investment properties at deemed cost at the date of transition to Ind AS. |
| 2 | Fair Value of Investment | Under the previous Indian GAAP investment in mutual funds were classified as current investments. Current investments were carried at lower of cost and fair value. Under Ind AS/ these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earning / statement of profit & loss. |
| 3 | Deferred Tax | The previous Indian GAAP required deferred tax accounting using the income statement approach/ which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach/ which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under pervious Indian GAAP |
| 4 | Defined benefit liabilities | Both under previous Indian GAAP and Ind AS/ the Group recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under previous Indian GAAP, the entire cost/ including remeasurementS/ are charged to profit or loss. Under Ind AS/ remeasurements [comprising of actuarial gains and losses/ the effect of the asset ceiling/ excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. |
